**To:** Mark de Bie, Chief  
Permitting & Assistance Branch  
Permits & Certification Division

**From:**   
Kevin Taylor, Manager  
Permitting & Assistance South Section  
Permits & Assistance Branch

**Request Date:** December 6, 2011

**Decision Subject:** Concurrence on Proposed Revised Full Solid Waste Facilities Permit for the Western Placer Waste Management Authority Materials Recovery Facility, SWIS No. 31-AA-0001.

**Action By:** December 31, 2011

---

**Summary of Request:** This is a request that the Branch Chief take action on a proposed revised Solid Waste Facilities Permit for the Western Placer Waste Management Authority Materials Recovery Facility that includes a transfer/ processing and composting operations, SWIS No. 31-AA-0001, located in Placer County. Staff's findings and recommendations are provided relative to the proposed action.

The proposed permit was originally received on August 29, 2011. An updated version of the proposed Solid Waste Facility Permit (SWFP) was received on September 21, 2011. Staff made some suggested corrections to the LEA on the language in the SWFP; the corrections were made and an updated version of the SWFP was received on November 1, 2011. Action must be taken on this proposed permit no later than December 31, 2011. If no action is taken by December 31, 2011, the Department will be deemed to have concurred with the issuance of the proposed revised permit.

**Recommendation:** Based on our review of the submitted permit package, staff recommends the Branch Chief concur with the issuance of the permit. All of the required submittals and findings required by Title 27, Section 21685 have been made and the required CEQA findings have been made in support of concurrence. These findings are summarized in the table found in the Permitting & Assistance Branch Staff Report attachment. The documents on which staff's findings are based are in the facility files. Details on the findings are presented in more detail in the attached Staff Report.
